SAFETY FIRST

New reporting requirements go into effect January 1

Beginning January 1, 2015, there will be a change to what covered employers are required to report to the Occupational Safety and Health Administration. **Employers will now be required to report all work-related fatalities within 8 hours and all in-patient hospitalizations, amputations, and losses of an eye within 24 hours of finding about the incident.**

Previously, employers were required to report all workplace fatalities and when three or more workers were hospitalized in the same incident. Employers have three options for reporting these severe incidents to OSHA. They can call their [nearest area office](#) during normal business hours, call the 24-hour OSHA hotline at 1-800-321-OSHA (1-800-321-6742), or they can report online at [www.osha.gov/report online](http://www.osha.gov/report_online).

Although Indiana and Kentucky have state run programs, please do not ignore this rule. Call your local Department of Labor to find out how this new rule affects you.

Please contact Marty Doughty,
Membership Coordinator
at 502-456-5200, 502-592-7990 or

if you have a referral!

Please contact Francesca Curry,
ABC Kentuckiana Council
Manager, at 502-400-2031 or
fran@abcindianakentucky.org if
you have any questions
regarding your membership or
benefits.
