

First Aid/CPR AED/BBP

This course is designed to certify participants in First Aid, gain knowledge and skills necessary to recognize and provide basic care for injuries and sudden illnesses until advanced medical personnel take over.

During the Adult CPR course, participants will learn how to recognize and care for breathing and cardiac emergencies in adults.

Upon successful completion of the course, each participant will receive a certification card.

Bailey Safety

Bailey Safety has evolved over the past 15 years from a division of Bailey Tools and Supply that sells first aid, PPE, and fall protection to a full service Safety Services company. They work to improve workplace safety and minimize risks by providing training, consulting, and auditing. Bailey Safety has the capability of acting as a company's safety department or be additional support to a company's current safety staff and plan.

Cancellation Policy: ABC reserves the right to cancel classes with insufficient enrollment. Attendees will be notified no less than five calendar days before scheduled start date. All requests for cancellations must be in writing (e-mail and fax is acceptable) three business days prior to the class in order to receive a full refund. You may designate a substitute in writing any time before the course date. Refunds will not be granted for no-shows.
