

DRUG-FREE WORKPLACE TESTING PROGRAM

ABC of Indiana/Kentucky recognizes the need to maintain a safe and healthy workplace for merit shop contractors. Drug and alcohol use pose a significant threat to the safety of our members and their employees, and we have re-established our **Substance Abuse Program** as part of our ongoing efforts to promote a safe and efficient construction industry.

The West Group serves as the third-party administrator of our Program and assists ABC members with all facets of setting up and maintaining a comprehensive testing program.

Our new updated program has a current up to date policy with clear testing guidelines. ABC is committed to helping our members have the cleanest and easiest program possible. To that end our program offers:

- ▶ **No annual fees for companies in 2024**
- ▶ **No charge for existing card switchovers for members**
- ▶ **New TPA dedicated to ABC member companies**
- ▶ **Reciprocal Program with CCS**
- ▶ **Quick and Easy setup**
- ▶ **Approved Policy**
- ▶ **Program Support from ABC**
- ▶ **A physical program card**
