James W. Rabold Safety Award

This Award honors the exemplary safety professionals employed by ABC members. This award is given to a representative from each council who embodies the safety principles valued by ABC and those who take the extra step to ensure all craft professionals return home safely each night.

Douglas Trolson Image Award: Model Member

This Award is given to an outstanding ABC member for their involvement and support of ABC, commitment to the merit shop, and overall industry involvement.

Douglas Trolson Image Award: Member Participation Award

This Award is given to an outstanding ABC member company for their involvement and support of ABC, commitment to the merit shop, and overall industry involvement. Please note that you do not need to submit an application for this; it will automatically be applied when you submit your Award of Excellence project application

You may pay via Credit Card within the Application or Mail check(s) to:
