

THE ABC INSURANCE TRUST IS WORKING FOR YOU!

We are motivated by your bottom line, not ours.

Since 1957, we've had one mission: to serve ABC members. The ABC Insurance Trust provides employee benefits and a suite of construction-specific employer services exclusively for ABC members. Our goal is to make your life easier.

SERVICES

The Trust now serves nearly 1,000 contractors. We offer a variety of proprietary group insurance plans and represent over 70 insurance carriers to ensure you get the most competitive rates and highest level of service.

SUPPORT

We ease administrative burdens and eliminate the hassles of managing a group insurance program. Smaller firms appreciate our commitment to provide personalized attention and larger firms rely on us for our multistate capabilities. Our team will design a cost-effective program for your business.

MEMBERS ONLY SOLUTIONS

We provide unique programs that are built exclusively for ABC members. Including, the first healthcare captive for the construction industry (The Construction Healthcare Alliance) and our Small Business Healthcare Solution, a member only alternative to the high cost of traditional healthcare programs.

HEALTH

We use our 60 years of construction specific insurance experience to find you competitively priced, proprietary market or national-based health plan options.

ANCILLARY BENEFITS

Access to a national program of ancillary benefits, exclusive to ABC members including Dental, Vision, Life, Disability and more!

RETIREMENT

We work exclusively with ABC members to setup new plans, evaluate existing plans and educate business owners and employees to help find you the right solution.

DOLLAR BANK

Our flexible accounting system that allows prevailing wage jobs, commercial jobs or both, pay for benefits by the hour with an airtight audit trail.
